

We call fowl!  
168 countries include  
gender equality in their  
constitutions and  
we should too!

**Nothing to crow about...  
COVID-19 has erased  
decades of women's  
gains in the workplace.**

**Makes me quackers!  
Discrimination based  
on gender is not treated  
like race/religion!**

**Not owlsome:  
America's gender  
equality gap won't close  
for over 200 years.**

Bird on the street is gender inequality costs us over \$2,000,000,000,000 (trillion) per year!

The Equal Rights Amendment covers OWL of us, including LGBT+ friends and family.
